MEMORANDUM FOR: [REDACTED]

SUBJECT : Follow-up Items

Please add the following two items to your follow-up list. As I said to you on 7 February, I would like to make a practice of going over with you periodically, which should mean not less often than twice a week, the full list of such items. On these occasions, I will add to your list any matters that have come to my attention and that are not already on it, and I will transfer items which require action by me. The two to be added at this time are:

1. Arrangements at the MATS terminal at Burbank --
You may remember I discussed this at the 7 February staff meeting and it was left that [REDACTED] and [REDACTED] would take care of it.

2. Special clothing for contractor and Agency personnel --
I am attaching hereto a 6 January memorandum from James Cunningham on this matter. I would like to know whether it is in hand or, if decisions are required, whether a recommendation is being prepared by Mr. Cunningham.
